### Boat Launching and Docking for Awards Dinner

Launching facilities from trailers is available at the State Park Launch Ramp, located at 4400 State Park Dr., Akron 44319 off SR 619. There will be NCO members at the ramp to assist in unloading and loading. If special handling is required such as lifting, please call John Vorhies @ 330-802-1545 for arrangements. There will be room at the Turkeyfoot Island Club docks for about 16 boats depending on size during the awards banquet. Boats must be removed at the end of the evening as the club has an activity planned for Sunday morning requiring all docks, unless you are an overnight guest. If you desire to pull your boat out of the water and attend the dinner, we will assist you in parking your boat in a safe location overnight. NCO club members who live on the water have offered docking space at their home docks near the Club for those who wish to leave their boats in the water overnight. There is no space at the Club for boats and trailers. The boat and trailer parking location is near the ramp and the Turkeyfoot Island Club. See registration desk for map.
