

# THE 39th ANNUAL PORTAGE LAKES

# ANTIQUUE BOAT SHOW

The theme this year will be boats classified as Utilities. However, any antique or classic boat of any make, be it wood, fiberglass, or aluminum is most welcome to participate in the show. New for this year, will be the opportunity to sell your boat in an area separate from the show located at street level, not in the water. All boats, whether shown or for sale, must be 25 years old or older.

Also new this year, will be a tour of the Portage Lakes in your boat at the conclusion of the show. Information about the show schedule, registration, the awards dinner, the boat tour, and the "for sale" lot, are included in the attachments.

The awards dinner will be held at the historic Turkeyfoot Island Club overlooking the scenic Turkeyfoot Lake. The Club has dock space for up to 16 boats and will provide a memorable evening for the boat show awards. Please note that there is no space for trailer parking at the Turkeyfoot Island Club. A parking area will be available at a nearby location. Please see registration desk for details.

Please make your reservations early as there is limited availability. Looking forward to seeing you at the show!
